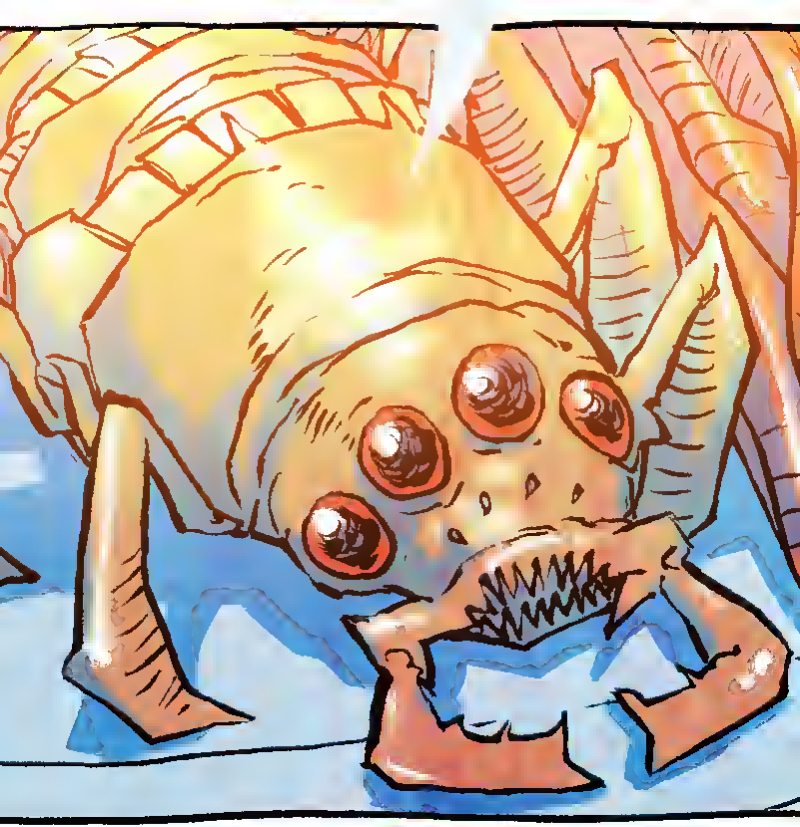
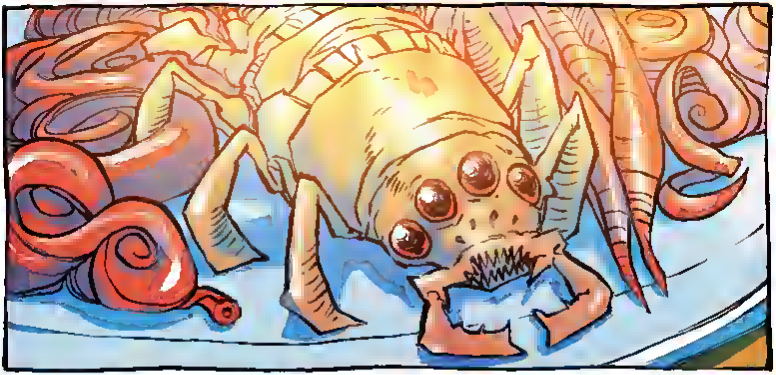
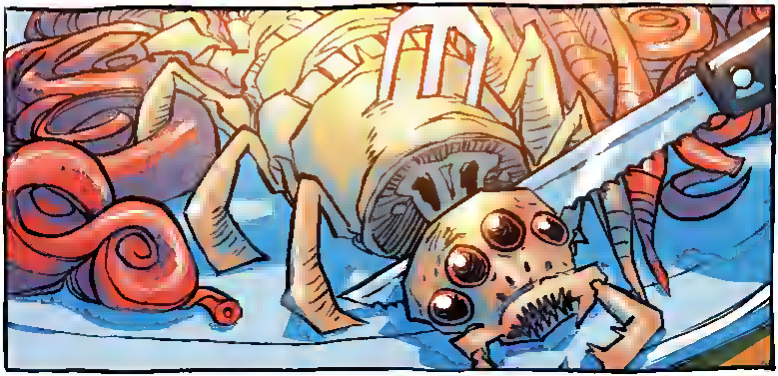
They need to
be treated!

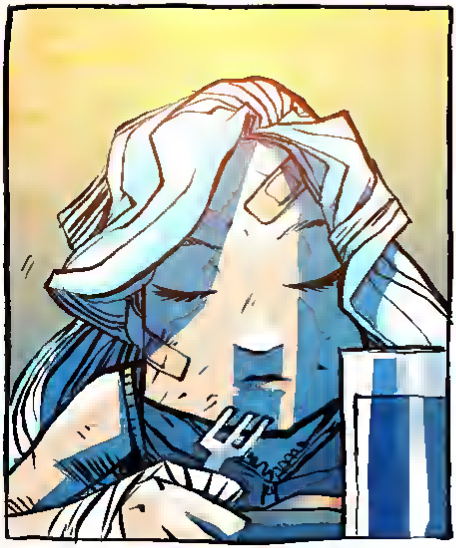
Hurry, We gotta look at your wounds.
Some weebles are poison, ya know.

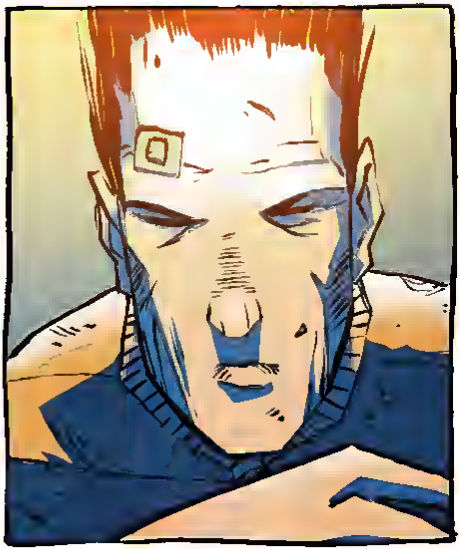


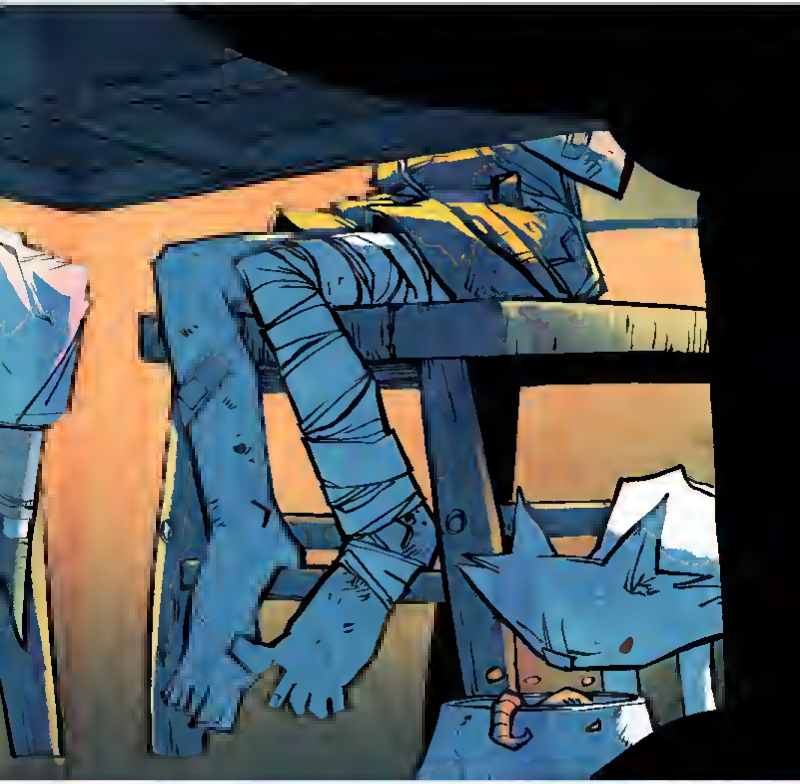




"Sweet revenge!"



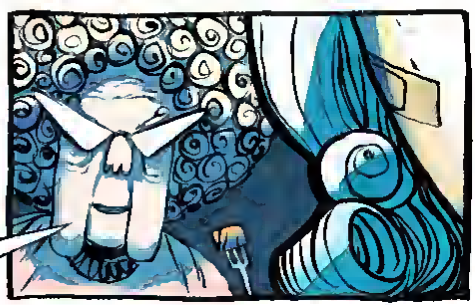




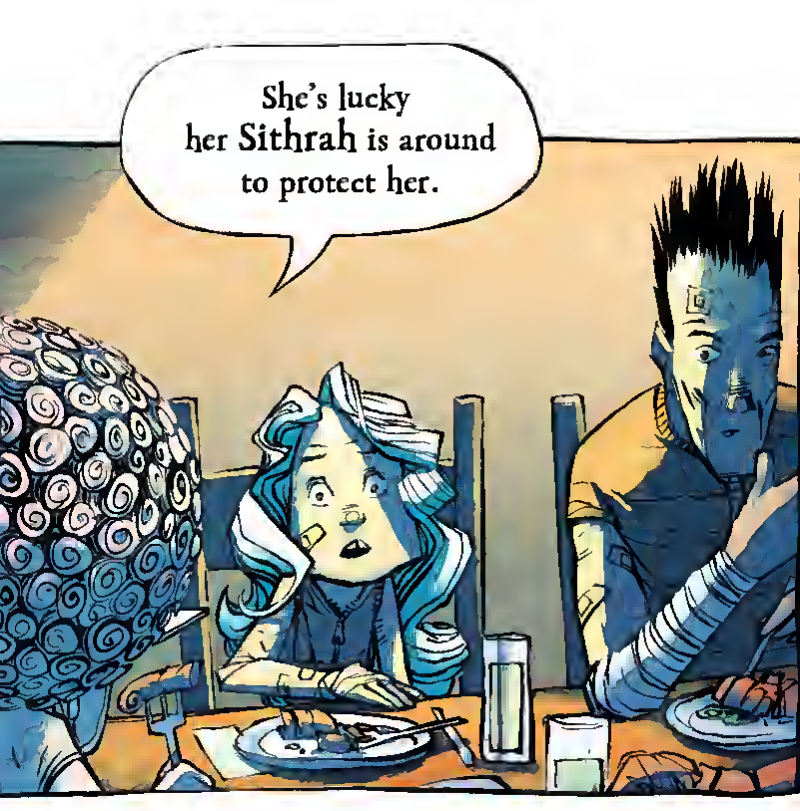
Don't beat yourself up too badly, kid.

We should've warned you -- the Weebles out here... They're not like what you find inland. They're not to be played with.

Now that you know that, please don't go anywhere near that sand again. All right?



She's knows, Henry.



She's lucky her Sithrah is around to protect her.
